# FOREWORD

Billy and Betty Bearcat, whom we have chosen to portray on all the division pages of this the 1947 Athenian, are fictitious in name but very real in all of the activities of Sherman High School. We have tried to make this book a complete record of those activities, knowing that at no time in our lives will these past four years be repeated. Billy and Betty Bearcat represent typical Sherman High School boys and girls.

It has been a pleasure for the Athenian Staff to prepare this record of our 1946-1947 school year.
